

Pullman Guiyang Opens its Doors

Hotel is the 1st Pullman property in the capital city of Southwest China's Guizhou Province

Shanghai, Sep 28 2011 – Pullman, an upscale five-star hotel brand under Accor SA, specifically designed for today's sophisticated business and leisure travelers, has announced the opening of the 410 room Pullman Guiyang. Officially inaugurated in September 2011, it is the 11th Pullman hotel in the Greater China region. The hotel joins Novotel Guiyang as new openings from Accor in Guizhou province.

Said Robert Murray, Senior Vice President, Accor Greater China, "China is a key market for Accor and the opening of Pullman Guiyang is a strong validation of the group's commitment to expand its network in one of the world fastest growing economies and where 17 additional Pullman hotels are committed."

Easily Accessible

Located at A Mall on Jiefang Road, Pullman Guiyang is only a five minutes' walk from the railway station, about 15 minutes by car to the Longdongbao International Airport and a few minutes' drive to major venues and tourist attractions such as the city center, Jiaxiu Tower, Hebin Park and Qianlin Park.

Rooms with style and comfort

All rooms and suites at Pullman Guiyang are more than 35sqm in size and equipped with at least 47-inch screen LCD TVs, with the Executive Rooms offering Nespresso for guests to enjoy freshly made coffees at a press of a button.

Fine dining: A feast to both palate and the eyes

Enjoy a collection of international cuisine at La Provence, a 24 hour modern Western restaurant which

features an interactive live cooking buffet, which has different cooking stations to increase your dining experience. The Lobby Lounge has an elegant ambience and a wide selection of food and beverage, making it a perfect place to relax.

Perfect venue for meetings and events

With a 840sqm pillarless Grand Ballroom and four meeting rooms of different sizes, Pullman Guiyang is the ideal location for different genres of business and social events. Facilities such as dedicated WiFi access, state-of-the-art audio visual equipment and LCD projectors are available at the hotel, with experienced event managers and technical support staff on standby. A range of innovative "pause" breaks and "chill-out" spaces are offered to help event organisers accomplish a complete success.

Relaxation & Fitness

To relax and unwind, Pullman Guiyang has an indoor heated swimming pool, state-of-the-art fitness center and outdoor tennis court. For less physical activities, guests can go to the chess room and the billiards room or simply recharge themselves at the spa and massage centre or the yoga room.
