

## **The summer promotions arrive at ibis: travel for less during the summer!**

To let you take full advantage of the summer vacations without worrying about your budget, ibis is repeating its summer promotions: €10 or €15 less per night from July 9 through September 5, 2010, in almost 700 destinations throughout the world.

June 3 2010 – It's time to prepare for your vacation... or extend it! Fancy a couple's break or time-out with friends? A week end escapade or a mid-week break? The ibis summer promotion offers a solution to all your travel desires. Holiday-makers can take off to discover France, Europe or the world\*, without worrying about their budget!

European leader in low-cost hotels, ibis is launching this offer\* exclusively on the [ibishotel.com](http://ibishotel.com) and [accorhotels.com](http://accorhotels.com) websites, for bookings between now and up to September 5.

### **At ibis, you don't have to be a star to enjoy a €10 or €15 reduction per night this summer!**

Starting May 25, the ibis reductions have a rock and roll feel. The €10 or €15 euro reduction per night summer promotion is supported by a group of way-out musicians: the **TENor15** band of old rockers making a comeback with the hit song "Rock you tonight". Their fans can follow their European tour on [www.facebook.com/TENor15ibis](http://www.facebook.com/TENor15ibis), [www.youtube.com/user/theTENor15](http://www.youtube.com/user/theTENor15) or [www.myspace.com/534627938](http://www.myspace.com/534627938)

As seasoned travelers, they book their rooms in ibis hotels to take advantage of the many perks: 24 hour/day services, a breakfast service from 4 am to midday.... Convinced of their own fame, they welcome the reduction proposed by ibis with pride, in the belief that they are enjoying a privilege reserved for stars of their stature! But at ibis, you don't have to be a star to benefit from the €10 or €15 reduction per night this summer.

Every night reserved in one of the ibis hotels taking part in the operation – 660 hotels in 24 countries – will allow travelers to benefit from a €10 or €15 reduction.
