Capovaticano Resort Thalasso & Spa joins the MGallery collection

An exceptional destination in the heart of Calabria in Southern Italy

Calabria is located at the southernmost tip of the Italian peninsula and is famous for its magical views and breathtaking ancient ruins.

Protected by a rocky outcrop, the **Capovaticano Resort Thalasso & Spa** hotel looks out at the spectacular landscapes of the Aeolian Islands and Stromboli Volcano.

Built on one of the most beautiful beaches on the Tyrrhenian coast, between land and sea, the hotel offers authentic and unique surroundings. It is an ideal destination for nature lovers interested in discovering the magical views, fascinating history and ancient ruins of the hinterland.

Capovaticano Resort Thalasso & Spa: modernity and authenticity

The hotel's 112 rooms and 9 suites feature a sophisticated, contemporary and minimalistic design intended to create a private sanctuary of peace and tranquility where guests can reenergize. The rooms are spacious, refined and fashionable and open out onto the natural surroundings.

The hotel also boasts two conference rooms (250 sq. m. and 50 sq. m.) equipped to provide ideal working conditions with free Wi-Fi internet access and a video projector.

The hotel's relaxation facilities include a sensory experience at its Thalassa Sea & Spa institute, as well as a large range of health and beauty treatments: heated swimming pools, whirlpool baths, massage booths, shiatsu, all of which are dedicated to the well-being of guests who can reenergize in a Mediterranean atmosphere.

A balance of flavors

Food lovers will also enjoy the wide choice of simple, refined Italian culinary specialties available at the hotel's two restaurants:

- **"Il Mantineo"** has a sophisticated menu with a range of sea-food dishes;
- **"Stromboli Beach Bar & Ristorante"** is located on the sea's edge and features light, tasty dishes prepared by the chef in front of guests.

A "Memorable Moment" in harmony with nature

Capovaticano Resort Thalasso & Spa offers its guests an unforgettable moment in the magical atmospheric surroundings of the "Coast of the Gods". In an exceptional setting that can only be reached by boat, guests can enjoy an Italian aperitif while admiring a glorious sunset over the Aeolian Islands.

The approach adopted by all the MGallery collection hotels is to offer their guests the joy of both experience and discovery. Each destination offers its own memorable moment and the privilege of an experience that is both unique and unexpected.

The **Capovaticano Resort Thalasso & Spa** enriches the MGallery collection's network with an exceptional destination on the Italian coast.

About MGALLERY

MGallery is a collection of upscale hotels notable for their personalities, which will appeal to individual travellers seeking distinctive services or looking for a place with more soul.

In the city centre as well as in tourist hotspots, each hotel in the collection offers a distinctive environment in which to fulfil an authentic experience that revolves around a philosophy of pleasure. This is particularly true of the Baltimore in Paris, which offers an incomparable sensory culinary journey in its starred restaurant.

This is also true of the exceptional site of the Cour du Corbeau in Strasbourg, a real timbered house, a maze of nooks and passageways that has travelled through five centuries of history and known illustrious guests such as Frederick II, King of Prussia, Voltaire...

A collection of hotels like so many different worlds.

Launched in September 2008 by Accor, it now covers five continents and will grow to over 150 locations by 2015.

Everything you need to know about MGallery hotels can be found at the mgallery.com website.
