LAGARE HOTEL VENEZIA – COLLECTION MGALLERY – IN TRIPADVISOR’S TOP 10 ‘HOT NEW HOTELS’ IN EUROPE

LaGare Hotel Venezia in Italy, part of the MGallery Collection, recently earned praise from TripAdvisor in its list of top hotels in Europe in 2013. This ranking highlights the hotels that—based on scores and feedback from travelers themselves—treated guests to an unforgettable stay. To qualify for this ranking, hotels had to be less than 12 months old, have 30 or more comments, and have a 4/5 or higher aggregate score. After La Cour du Corbeau in Strasbourg—which TripAdvisor tipped as the best hotel in France in January, LaGare Hotel Venezia is the second MGallery hotel to top a TripAdvisor user ranking.

LaGare Hotel Venezia is an Art and Design gem in a yesteryear Venetian glassworks

Besides being the first hotel to open on Murano island, in the heart of Venice lagoon, LaGare Hotel Venezia, which came to life in 2013, is in a building that once housed a bygone-day Venetian glassworks established in the 19th century. It is an art and design pearl. It is in a magnificent building with an amazing story—the walls of this former prestigious glassworks bear witness to that—and yet eminently modern; the decoration is elegantly unpretentious but eminently sophisticated, and Venini glasswork enhances the overall effect.

“We are proud of this award. It is tantamount to international praise for the excellence of our teams’ daily efforts to delight travelers who are keen on exciting emotional experiences and discoveries. The unique setting, history, infrastructure and services provided by MGallery combined no doubt make this hotel one that guests themselves commend and recommend.” according to the hotel board direction.

The 118 rooms – including 31 executives and 3 ‘junior’ suites – feature elegant furniture, including Venini light fittings and impressive hand-beveled mirrors. The elegant Riva Longa restaurant is nestled in a quintessentially Venetian courtyard, and serves refined dishes inspired by Venetian flavors.”

“Many of our customers are curious about this place, which is steeped in history,” explains the hotel board direction He adds, “And everyone on the staff knows about this building’s history and can answer guest’s questions. Telling the LaGare Hotel Venezia’s story is also part of treating guests to a great experience—and the memorable experience that the MGallery Collection promises.”
